Don't forget to tag your bags!

Chelmsford Star Co-op has created these cut-out luggage labels to go around the handles of your donated shopping bags, so the recipient knows why they are on their doorstep! We've created two versions; one with space for your own message, and one with a message pre-written.

1. Print page.
2. Cut out chosen label.
(careful when cutting bottom slit)
3. Write message if appropriate.
4. Wrap label around bag handles and secure with tab and slit.
5. Leave bag on someone's doorstep and knock
6. Walk away feeling proud of yourself
